

SWEET IS THE MELODY IRIS DEMENT

CHORUS:

C **G** **Am** **F**
Sweet is the melody so hard to come by

C **G**
It's so hard to make every note bend just right

C **G** **Am** **F**
You lay down the hours and leave not one trace

C **G** **C**
But a tune for the dancing is there in its place.

C **G** **Am** **F**
1. The dance floor's for gliding and not jumping overponies

C **G**
Where boots and gold bracelets come and meet as they should

C **G** **Am** **F**
It's for celebrating a Friday night romance

C **G** **C**
Forgetting the bad stuff and just feeling good.

CHORUS

D **A** **Bm** **G**
2. An arm's just an arm till it's wrapped 'round a shoulder

D **A**
Looped side by side they go steppin' out together

D **A** **Bm** **G**
A note's just a note till you wake from your slumber

D **A** **D**
And dare to discover the new melody.

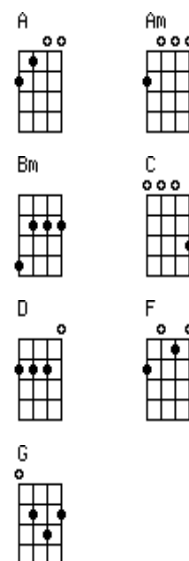

3 RD CHORUS

D **A** **Bm** **G**
Sweet is the melody so hard to come by

D **A**
It's so hard to make every note bend just right

D **A** **Bm** **G**
You lay down the hours and leave not one trace

D **A** **D**
But a tune for the dancing is there in its place.
